

SNOW DAYS, DELAYED OPENINGS & EARLY CLOSINGS

Trinity Preschool follows Fairfax Co. Public School's lead on weather closings. Parents can get up-to-date school closing and delayed opening information from FCPS web site, social media, and the FCPS cable station, channel 22. Local news stations will also report school closings.

If Fairfax County schools open 2 hours late, Trinity's classes will begin two hours late and be held from 11:00 am-1:00 pm. Early Bird program drop off will begin at 10:00 am.

If schools close early due to inclement weather, Trinity will dismiss early and will communicate to parents using the Remind app. Parents should check FCPS reports regularly on bad weather days in case a decision to close early is made midmorning.

When Fairfax Co Public Schools are closed due to inclement weather, Trinity Preschool will be closed and these days will not be made up.
